

# 3 facets of gravity

Rejzner/Schiavina

Effective BV quantisation  
of gravity

Rhodes/Vargas

Liouville quantum gravity  
& the conformal bootstrap

Ambjorn/Budd

Random geometry in the  
path integral approach to  
quantum gravity

Organisers Guillaume Baverez, Gaetan Borot

Some funding is available for young researchers. For registration,  
info and application, see [www.bgrav23.de](http://www.bgrav23.de)
